Selectboard Meeting
July 3, 2024

Present: Chuck Black, Ben Foltz & Melinda Beebe

Meeting Called to Order: Chuck called the meeting to order at 6:35 pm.

Review/Approve Minutes: Chuck motions we accept minutes from June 19th and Special Meeting June 26th. Ben seconded. Motion passed.

Request to Change Agenda: None

Public Comment: None

Road Foreman Report: Roads are still here!

New Business: None

Old Business: 1) Village Traffic: Our next step should be to get a traffic study done. Jim Henderson of Bennington County Regional Commission will be able to provide the town with a traffic counter. This will provide information on the number of cars traveling and their speed. The town is still investigating options.

2) Town Green Improvements: Ben reports that we have prices as far as structure is concerned. We should go forward and gather prices for the remaining sitework needed to get a complete price for this project.

3) Town Center Maintenance: Black Magic will be coming to do an inspection of the chimney; this will determine how we proceed with the repointing.

Mold remediation for the basement has been looked at by ServPro. The quote came in at just under \$7800.00. A copy of the proposal for this work is available to view at the Town Office. Cheryl Fox is investigating whether insurance will pay for all or part of this.

The bulkhead could possibly be replaced by a precast bulkhead system. Still investigating possibilities.

4) **Health Order:** The town is waiting to see if Roland complies with this order. No date is set for a conclusion.

Other Business: Cota & Cota has sent a new contract with corrected prices to be signed by the selectboard.

Review Bills/Approve Payments: All bills were reviewed and approved for payment.

Adjournment: Chuck adjourned this meeting at 7:12pm.

Respectfully Submitted,
Melinda M. Beebe
Peru Town Clerk
