**Speed Bumps:** Todd has ordered the speed bumps from Worksafe and will be notified when they are ready to be delivered.

**Miscellaneous Business:** Chuck updated Todd on two issues that were brought to the Selectboard's attention while he was away. The first being the broken door on the old town gargage and the second the collapsing drainage grate on Main St. Todd will inspect and contact a contractor for the garage door. The Selectboard approved the rental of the Town's kitchen by Frances Dinanno once she gets liability insurance and signs a hold harmless agreement. The Selectboard also approved Suzanne Ragone's request to have a tag sale in front of the Makery on Memorial Day Weekend. The Selectboard gave Pat Salo permission to contact unregistered dog owners. Todd received a complaint from Tim Britton regarding the condition of Old Manchester Rd West in front of his home.

The Selectboard will investigate. Jon asked if there was an update on Roland. Jill relayed that he did not pick up Green Up Day bags and continues to collect trash on his property. Jon will follow up with Hal and Noreen at Neighborhood Connections regarding resources that may be available.

**Cemetery Request:** Carl Holcomb requested assistance with digging graves. Discussion ensued and the Selectboard temporarily approved Wayne to assist Carl with use of town equipment. Todd will speak with Carl about compensation to the Town. Jon suggested in the interest of transparency and before a long term arrangement is approved that the Cemetery Commission present the Selectboard with their budget and disclose the actual cost of digging a grave.

**Road Foreman Report:** Wayne was not present.

**Review Bills and Approve Payments:** The Selectboard viewed and approved all bills for payment.

**Adjournment:** Todd adjourned the meeting at 8:00pm.

Respectfully Submitted,
