Change selectboard meeting time for winter months.

### **New Business**

Paul Myers has resigned from planning commission.

Delinquent Tax Collector – Need letter of interest from interested individuals.  
Special meeting may be held to approve next Tax Collector.

### **Old Business**

#### **Personnel Policy –**

To be revisited when all are in attendance.

### **Other Business**

**Peru Park Committee** – Karen reported that the committee requested permission to potentially utilize triangle of land, which belongs to the town, on other side of house in the master plan for the park.

As a courtesy to homeowners, if town constructs anything in the space, the committee will communicate as well as plan to maintain the space. It was determined that a tennis court would be too large for available space. Committee hoping to construct one pickleball court, purchase picnic tables and swings. Committee putting together budget for proposed plans to be brought to town. Town office will generate tax exempt letter to be sent to donors.

#### **Road Foreman Report:**

New truck should be coming in mid-December.

Box culvert on Little Michigan project is complete. Grant money will be awarded once bill has been paid.

Wayne has ordered a sign and post for South Road, which has gone missing.

#### **Change of Selectboard meeting time:**

Jon made a motion to change regular Selectboard meeting time to 5:00pm. Chuck seconded. All in favor.

**Permits for Zoning Administrator** will be printed by Express Copy.

**Need commissioners for BCRC.** Seems logical that someone from Planning Commission to take this position.

**Review Bills and Approve Payments:**

Delurey Bills – to be checked by treasurer as seems duplicated.

Joe Blair Bill should be paid by cemetery commission.

Daniels bill – to be paid then reimbursed by grant funding.

The Selectboard viewed and approved bills for payment.

**Adjournment:** Chuck adjourned the meeting at 7:32 pm

Respectfully Submitted,  
Jennie Freeman  
Peru Town Assistant Clerk
