Green Mountain National Forest Martina Barnes/District Ranger wanted to let us know what was going on in our area.

3. Vilmont Trail – trying to find a place to put up huts, working on bike trails from Canada to Mass.
4. Control burns:
 - 2 around Mad Tom Road area

Road Foreman Report: Backhoe in shop.

New Business: Made an adjustment to Neighborhood Connections request of \$2,000. It was put in as \$1,500. Jon made a motion to approve, Chuck first, Alex seconded.

Old Business: The Town Garage roof has many issues. The upper roof needs to be separated from the bottom roof. It needs to have 13” of R49 spray foam insulation. Would like to propose to VFI (Vermont Foam Insulation)– Willie to do this in two steps. Some of the sheet rock needs replacing so we are looking at getting someone to remove & install pieces for sheet rock in the spring -summer time. The quote for the insulation is around \$10,000.
